### A Message from our PCSO

#### Frome South Rural Consultation Group June Meeting

The main issues of concern raised:

- \* Thefts from stables is on the increase with tackle and various other items being removed. The PCSO will monitor and give crime reduction advice.
  - \* Speeding through villages and lanes is a great concern and remains a priority for the Postlebury Beat.
  - \* It is also important to keep eyes and ears open for any suspicious individuals and vehicles and to be alert for rogue traders/cold callers. Remember to phone about any suspicious activity via the 101 number.
- Declan Quinn PCSO

### Playground Update

The Working Party met on Monday 15th July to look at the responses to the questionnaire. Many thanks to all the adults and children who sent in their ideas and drawings. There were many positive responses including:

- \* "great idea as our children could meet others who go to different schools and play together as village children"
- \* "would be good to have an informal social area meet and chat"
- \* "a small outdoor training area would encourage me to get some exercise!"

A Mendip Council representative also said that it would increase the attractiveness of living in a village if it had an area for children and adults to meet. We now need to apply for Lottery Funding - a task in itself - and open a bank account for donations. If you could help in any way or have ideas, then please contact [trudoxhillplayground@gmail.com](mailto:trudoxhillplayground@gmail.com). Thank you. Clare Midgley-Jewitt

**'YOUR VIEW' NEEDS YOU!**

After 3 very enjoyable years producing the Newsletter (with the help of my friend Carolyn, an honorary member of Trudoxhill, despite living in Bradford on Avon!) it would be good to have some new ideas, especially as I have now taken over from Tracey as Parish Clerk. I have found it a great way to meet and get to know the Parish and it honestly doesn't take too much time. I'd be able to help and support initially, so please ring me or email for further information. I'm sure you agree that it's important to continue to produce 'Your View' as those without access to a computer really do appreciate the Newsletter and it helps all of us maintain our sense of community.

#### October

8<sup>th</sup> Oct - Second Tuesday Each Month - STEM

Growing Disciples – all welcome including those who want to find out more and have never been before – 7-9pm

18<sup>th</sup> Oct – 10am - SW area meeting – Pennymoor Congregational Church

20<sup>th</sup> Oct - 10.30am Family service, led by Sara, followed by refreshments

22<sup>nd</sup> Oct – COAST – chat over a supper together – a talk on dragonflies of Somerset, with a light supper – 7-9pm

On our fourth Tuesday of each month (as part of COAST), we had some great talks on butterflies, Kenya and Iceland over the last few weeks. Really enjoyable. Feel free to come along to forthcoming events.

We have been grateful to the Taylors of Witham Friary for cutting the grass in the village churchyard over the last 7 years. They have now moved to Bristol. We are proceeding with some **maintenance work** over the next few months and are busy fundraising for further developments. Please do wish us well in the venture, as it will be a big step for us in the village. And finally, if you or someone you know is able to play a **keyboard** and would like to accompany our hymn singing on third Sunday of each month, do get in touch.

For further information about our services or events please do not hesitate to contact the minister, Sara, on 01761 239 092 Every blessing...
