## Village Hall celebrates 40 years

*The village hall in the 1970s...and today*

The Anniversary Dinner for the Village Hall was a wonderful night full of great memories.

There was a display of photographs of the hall, activities from throughout the years and even a video from the 1970s.

The White Hart provided a delicious dinner and bar. Thank you to the Village Hall Committee for keeping such an amazing resource available to the village for 40 years.

*Jean and Maureen—there since the beginning!*

## Honouring fallen heroes

One hundred years on, three Trudoxhill men who fought in WW1 are to be honoured with a memorial plaque in the village.

To support this initiative just come along to the quiz night at the White Hart on 20<sup>th</sup> November. All proceeds to the plaque.

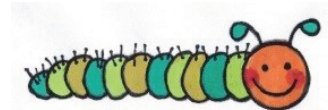

## Trick or treat safety

If your children are going trick-or-treating, please ensure they do so safely.

Cars and farm vehicles go fast through the village so make sure your little witches and goblins are clued up about road safety before

## Caterpillars Playgroup

Meets Tuesdays 10am-12pm in the Village Hall.

This precious resource needs more local parents to help. Could you get involved? If so please contact Clare on 836590.

## Children's Halloween Party

# Playground update

We've raised half the funds for our playground, so thank you to all contributors! We will soon hear if our grant application to Mendip has been successful. This would allow building to begin in Spring 2015.

## How you can help

- Come to our **AGM** to see images of how the playground will look when built. It's on Thursday 6<sup>th</sup> November at 7pm, in the Village Hall.
- Order your DVD of the **Cleyhill Stompers fundraising gig** produced by our friends at The Video Alchemist – just £5 each!
- Make a donation at the **Children's Halloween Party** (see overleaf).

Email your DVD order or party RSVP to [trudoxhillplayground@gmail.com](mailto:trudoxhillplayground@gmail.com)

## Trudoxhill online

The new Trudoxhill website is taking shape with help from our friends at Moson. We need more images, so if you have any beautiful pictures of the Parish, please send them to [trudoxhillplayground@gmail.com](mailto:trudoxhillplayground@gmail.com)

## Parish Plan coming soon

How would you like to see our Parish develop? You'll soon have the opportunity to give your view. Look out for a questionnaire through your door and please do complete it—your responses will shape how Trudoxhill develops in the coming years.

## Could you be a Parish Councillor?

Trudoxhill Parish Council is looking for new members – could it be you? If you'd like to be more involved with village life and can spare one evening a month, we'd love to hear from you.

## Defibrillator success

A defibrillator has now been installed on the side of the White Hart. This has been funded by Friends of Frome and the Christie family following the tragic death of local resident John. We're very glad to now have this potentially lifesaving device available.
